

## Free Marijuana Seeds Canada

### Description

## Free Marijuana Seeds Canada

Introducing our FREE marijuana seeds tester program. Yes, that's right free marijuana seeds and free shipping. What's the catch you ask? All we ask is you show us the results of your home grow with our seeds.

We will ship you a random strain or two to test, once they are up and growing be sure to send us some pictures in full VEG and in full FLOWER. If we use the pictures on our website or social media then we will ship you some more free seeds to test.
